ARKANSAS USERS OF TELECOMMUNICATIONS AND INFORMATION SYSTEMS

Dear Vendor Member:

We want to thank you for your sponsorship and support of AUTIS events. Because of your dedicated patronage, AUTIS was able to provide more than **\$10,000 in grants** last year, and we will soon begin accepting applications for 2015 AUTIS Grants. These grants would not be possible without your partnership and participation.

AUTIS will offer a 2015 Annual Sponsorship Package that includes all 2015 events. **Single event sponsorships will still be available.**

Our sponsorship committee determined that for 2015, AUTIS would offer the following **annual** vendor-member sponsor opportunities:

- ◆ Platinum Sponsor \$2000 (includes 1st tier recognition at all AUTIS events)
- ◆ Gold Sponsor \$1500 (includes 2nd tier recognition at all AUTIS events)
- ◆ Silver Sponsor \$1000 (includes 3rd tier recognition at all AUTIS events)

For many years, support and donations from organizations like yours, and our many loyal and dedicated regular members have enabled AUTIS to provide invaluable resources to aid and assist many in need across Arkansas.

As an **Annual 2015 AUTIS sponsor** you and your company will receive . . .

- ◆ AUTIS vendor membership allowing attendance and participation at all AUTIS events
- ◆ Company name and logo listed in printed event materials, AUTIS publications, and on the AUTIS website
- ◆ A conference exhibit table to display your products and other information for potential Arkansas customers and decision-makers working in both the public and private sectors

Details for each **annual** sponsor level are listed on the next page, with information on tiers of support and associated benefits for each level. Sponsors may register and make payment online at www.autis.org, or mail payment to the address at the top of this letter. If your company needs an invoice, please contact Chris Glewen at the email listed below.

Sponsorship of AUTIS has made it possible for thousands of Arkansans to improve their opportunities within our state. Together, with your continued support of AUTIS, we can:

- ◆ Expose children and individuals to new ideas and best practices in technology,
- ◆ Empower individuals to be self-advocates using technical and communications skills,
- ◆ Provide opportunities to establish stronger networks, and share common experiences through AUTIS Grants and Volunteer Projects, and develop new relationships,
- ◆ Provide Continuing Professional Education (CPE) credits for technology and telecommunications professionals through local training opportunities.

We look forward to seeing you at upcoming AUTIS events. If you have any questions, please do not hesitate to contact me via email chrisg@arkansasheritage.org, or phone 501-324-9160.

Sincerely,

Chris Glewen
